SB2W – Financial Assistance Request Form - 2023

Whatever assistance we are able to provide is limited and based on donations provided by the generous people of *Crossroads Church* and the Sb2w families who choose to "Pay it forward." We feel it's in everyone's interest for parents to assume the majority of their camper's registration fee. We grant financial assistance based on assessed need, with priority given to families registering multiple children. **To be eligible, this form *and* the *Camper Registration Form* must be received or postmarked by May 31st**. Since we won't know how much money will be available till around mid-June, we ask you to **please, pay what you can when you register**. Once we know how much money is available, we let everyone know how much we can apply toward their remaining balance. Thank you for understanding, and paying what you can now.
